IGT TOSCANA ROSSO "VOX LOCI" CABERNET FRANC 2016

This single-variety is produced exclusively in the years in which the Cabernet Franc reaches optimal ripeness and the wine acquires a character and personality typical of the "terroir" of production. Hence the name: VOX LOCI (lat: voice of the place). Aged for 24 months in French oak barriques and at least 12 months in the bottle.

Intense ruby red color. The nose has a scent of eucalyptus leaves, notes of red fruits and berries. In the mouth it has good structure and concentration, a light herbaceous note and elegant tannins

It goes well with pasta dishes with vegetables or ragout of meat, rabbit or duck. Main courses of red meats, roast lamb and pigeon
